Letter dated 23 December 2001 from the Permanent Representative of Iraq to the United Nations addressed to the Secretary-General

On instructions from my Government, I wish to inform you that a total of 1,972 items of unexploded ordnance left behind by the 1991 30-Power aggression against Iraq were found and disposed in various parts of Iraq during the period from 1 October to 30 November 2001. The items, which included cluster bombs, missiles, anti-tank and anti-personnel mines and other ordnance, were found in the following governorates: Baghdad, Basrah, Anbar, Ninawa, Dhi Qar, Muthanna and Wasit.

I should be grateful if you would have the present letter circulated as a document of the Security Council.

Accept, Sir, the assurances of my highest consideration.
